

Two Granted Clarkson Degrees

POTSDAM — William L. McHenry, son of Mrs. L.W. McHenry, 411 North St., Chittenango, and Clifton F. Metcher, son of Mr. and Mrs. Howard Metcher, 18 W. Second St., Oneida Castle, both received degrees during the commencement exercises at Clarkson College of Technology.

McHenry received a bachelor's degree of electrical engineering. He is a 1958 graduate of Chittenango Central School. At Clarkson he has been an active member of the Integrator staff, Junior **WNTC** staff, and recipient of the Truman L. Hamlin Math Award.

Metcher received a bachelor's degree of mechanical engineering. He is a 1958 graduate of Oneida High School. At Clarkson he has been an active member of Triangle, social fraternity; American Society of Mechanical Engineering, Ice Carnival decoration committee, varsity tennis, and participated in intrafraternity sports.
